### **Breast cancer: trustworthy sources from the web.**

(there is also a page of 'Useful Links' on the LA CoC website)

**Ebrary Breast Cancer Searchable Information Center:** <http://site.ebrary.com/lib/breastcancer>

In honor of National Breast Cancer Awareness Month in October 2011, librarians at ebrary and other organizations have collaborated to create a publicly available collection of breast cancer publications. The selection features a range of authoritative fact sheets, posters, and other materials from a number of government agencies and other authoritative sources.

**MedlinePlus: Breast Cancer:** <http://www.nlm.nih.gov/medlineplus/breastcancer.html>

MedlinePlus offers reliable, up-to-date health information, anytime, anywhere, and for free. You can use MedlinePlus to learn about the latest treatments, look up information on a drug or supplement, find out the meanings of words, or view medical videos or illustrations. You can also get links to the latest medical research on your topic or find out about clinical trials on a disease or condition. All the links to other sources have been evaluated for accuracy and bias.
